Everything Here Is Beautiful Mira T. Lee 2018-01-16 "A tender but unflinching portrayal of the bond between two sisters." –Celeste Ng, New York Times bestselling author of *Little Fires Everywhere* "There's not a false note to be found, and everywhere there are nuggets to savor. Why did it have to end?" –O Magazine "A bold debut. . . Lee sensitively relays experiences of immigration and mental illness . . . a distinct literary voice." –Entertainment Weekly "Extraordinary . . . If you love anyone at all, this book is going to get you." –USA Today A dazzling novel of two sisters and their emotional journey through love, loyalty, and heartbreak Two Chinese-American sisters—Miranda, the older, responsible one, always her younger sister's protector; Lucia, the headstrong, unpredictable one, whose impulses are huge and, often, life changing. When Lucia starts hearing voices, it is Miranda who must find a way to reach her sister. Lucia impetuously plows ahead, but the bitter constant is that she is, in fact, mentally ill. Lucia lives life on a grand scale, until, inevitably, she crashes to earth.

Miranda leaves her own self-contained life in Switzerland to rescue her sister again—but only Lucia can decide whether she wants to be saved. The bonds of sisterly devotion stretch across oceans—but what does it take to break them? *Everything Here Is Beautiful* is, at its heart, an immigrant story, and a young woman's quest to find fulfillment and a life unconstrained by her illness. But it's also an unforgettable, gut-wrenching story of the sacrifices we make to truly love someone—and when loyalty to one's self must prevail over all.

An Uncomplicated Life Paul Daugherty 2015-03-17 A father's exhilarating and funny love letter to his daughter with Down syndrome whose vibrant and infectious approach to life has something to teach all of us about how we can better live our own. Jillian Daugherty was born with Down syndrome. The day they brought her home from the hospital, her parents, Paul and Kerry, were flooded with worry and uncertainty, but also overwhelming love, which they channeled to "the job of building the better Jillian." While their daughter had

special needs, they refused to allow her to grow up needy—"Expect, Don't Accept" became their mantra. Little did they know how ready Jillian was to meet their challenge. Paul tells stories from Jillian's mischievous childhood and moves to her early adulthood, tracing her journey to find happiness and purpose in her adult life, sharing endearing anecdotes as well as stories about her inspiring triumphs. Having graduated from high school and college, Jillian now works to support herself, and has met the love of her life and her husband-to-be, Ryan. In *An Uncomplicated Life*, the parent learns as much about life from the child as the child does from the parent. Through her unmitigated love for others, her sparkling charisma, and her boundless capacity for joy, Jillian has inspired those around her to live better and more fully. The day Jillian was born, Paul says, was the last bad day. As he lovingly writes, "Jillian is a soul map of our best intentions"—a model of grace, boundless joy, and love for all of us.

Romance Is My Day Job Patience Bloom 2014-02-06 "Highly recommended for romantics of all stripes."—Library Journal, starred review Why isn't real-life romance more like fiction? Patience Bloom asked herself this question, many times over. As a teen she fell in love with Harlequin novels and imagined her life would turn out just like their heroines: That shy guy she had a crush on would sweep her off her feet and turn out to be a rock star. Not exactly her reality, but Patience kept hoping. Years later she found her dream job, editing romances for Harlequin itself. Every day, her fantasies came true—on the page. Her dating life, however, remained uninspired. She nearly gave up hope. Then one day Patience got a real-life chance at romance, but Sam lived thousands of miles away. Was it worth the risk? Could love conquer all?

Bloom in Reverse Teresa Leo 2014-01-27 Bloom in Reverse chronicles the aftermath of a friend's suicide and the end of a turbulent relationship, working through devastation and loss while on a search for solace that spans from local bars to online dating and beyond to

ultimately find true connection and sustaining love. Things move backwards, from death to life, like a reverse time-lapse video of a dead flower morphing from brittle, scorched entity to floral glory to nascent bud. The poems seek to find those places where the natural world connects to and informs experiences at the core of human relationships, and at times call upon principles and theories from physics and mathematics to describe the complexities of love and loss. It's a book where grief, melancholy, heartbreak, and disillusionment intersect with urban romanticism, hope, possibility, and love. Bloom is all of it, the terrible and the beautiful.

Penguin Bloom Cameron Bloom 2016-10-06 They saved a little bird . . . And in return she saved them too After a near-fatal fall left Sam Bloom paralysed, no one - not her husband Cameron, nor their three boys - could reach her in the darkest days of her struggle. But everything changed when a new member of the family unexpectedly landed in their lives: an injured magpie chick abandoned after she fell from her nest, whom they named Penguin Bloom. Powerful and tender, Penguin Bloom is a beautifully written account of how compassion, friendship and family can come from unexpected places. [The Two Hearts of Eliza Bloom: Charming, Feel Good and Absolutely Unforgettable](#) Beth Miller 2019-03 Meet Eliza Bloom: she is funny without realising it, she loves watching old movies and for the past fourteen years she's been keeping some pretty big secrets. And last night her teenage daughter found something in a hidden shoebox that no-one was supposed to see and started asking questions. Questions that might just change everything in Eliza's carefully constructed world. What do you do when your secrets start taking on a life of their own? Join Eliza as she shows you how to run away with the love of your life (quite fast actually, as your family are coming after you), how to make your grandfather happy (this might involve a little bit of lying), how to let someone you love go (actually, this never gets easier) and how (now, this is a bad idea) to

keep secrets from your new husband. Eliza Bloom's runaway marriage has become the stuff of family legend, but legends have a habit of catching up with you in very unexpected ways... An uplifting and heartbreaking novel about finding yourself, perfect for fans of Eleanor Oliphant is Completely Fine, The Keeper of Lost Things and The Storied Life of A.J. Fikry.

The Stand-In Steve Bloom 2016-10-01 When Brooks volunteered to be a stand-in for Burdette's cousin who got stood up for Homecoming, it was with the noblest of intentions—helping a fellow human being, free of charge. But when he gets a tip of more than three hundred bucks, word spreads quickly and Brooks seizes the opportunity to offer his impeccable escort services to super-wealthy parents who want their daughters to experience those big social events of senior year. Besides, Brooks could use the cash to hire a tutor to get admitted to Columbia University. So what if along the way he goes along with a few minor deceptions and cuts a few moral corners? What could be the harm?

New York in Bloom Georgianna Lane 2019-03-12 Discover the floral heart of New York City in this companion to the popular *Paris in Bloom* by acclaimed photographer Georgianna Lane. *New York in Bloom* leads you on a beautiful floral tour of the metropolis—past stylish floral studios and corner shops overflowing with fresh-cut blooms, through bustling flower markets, to blooming trees and lush public parks. With sumptuous photography, the unexpected, softer side of New York is revealed by juxtaposing floral beauty with exquisite botanical details found in the city's iconic architecture. Also included are field guides to locating and identifying common spring blooms, a list of recommended locations and vendors, and a tutorial on how to create your own New York-style floral bouquet. For anyone who loves New York City, flowers, and photography, *New York in Bloom* is a gorgeous gift and an essential addition to one's library of fine books.

Lucky Us Amy Bloom 2014-07-31 When Eva's mother abandons her on Iris's front porch, the girls don't seem to have

much in common - except, they soon discover, a father. Thrown together with no mothers to care for them and a father who could not be considered a parent, Iris and Eva become one another's family. Iris wants to be a movie star; Eva is her sidekick. Together, they journey across 1940s America from scandal in Hollywood to the jazz clubs and golden mansions of Long Island, stumbling, cheating and loving their way through a landscape of war, betrayals and big dreams.

The Making of Jonty Bloom Barbara Elsborg 2020-06-24 Finding his fiancé in bed with his brother was bad enough, finding out they're getting married is the final blow. Devan Smith needs to cool his anger. He needs to forget the lies and betrayals and work on resetting his life. When his boss orders him to scope out a remote hotel for a possible buyout, Devan's only interested in getting the job done and getting out. What he's not interested in is the guy with the piercings, bleached hair, and the smart, kissable mouth behind the reception desk. Working the hotel reception is the only thing that's stable in Jonty Bloom's unstable life. His best friend has had a terrible accident, his ex refuses to move on, and his eight-year-old self is still waiting for his mother to collect him from school. Jonty needs his job. What he doesn't need is the rude, arrogant, and hot as they come guy who's rocked up demanding he be let into his room right now. Thrown together by a freak accident, Devan and Jonty's lives entwine, and neither wants to loosen the knot. Can the irrepressible Jonty be the reset Devan needs? Can Devan be the making of Jonty Bloom, or will secrets drive them apart? This is book one in the *Unfinished Business* series. All books are standalone with linked characters.

The Shape of the Eye George Estreich 2013-04-18 "[An] elegantly written, unsentimental memoir."—PEOPLE MAGAZINE [PEOPLE's Pick of the Week] Winner of the 2014 Nautilus Award represents "Better Books for a Better World"—the Silver Award in the category of Parenting /Family. When Laura Estreich is born, her appearance presents a puzzle: does the shape of her eyes indicate

Down syndrome, or the fact that she has a Japanese grandmother? In this powerful memoir, George Estreich, a poet and stay-at-home dad, tells his daughter's story, reflecting on her inheritance --- from the literal legacy of her genes, to the family history that precedes her, to the Victorian physician John Langdon Down's diagnostic error of "Mongolian idiocy." Against this backdrop, Laura takes her place in the Estreich family as a unique child, quirky and real, loved for everything ordinary and extraordinary about her. "In this wise and moving memoir, George Estreich tells the story of his family as his younger daughter is diagnosed with Down syndrome and they are thrust into an unfamiliar world. Estreich writes with a poet's eye and gift of language, weaving this personal journey into the larger history of his family, exploring the deep and often hidden connections between the past and the present. Engaging and unsentimental, *The Shape of the Eye* taught me a great deal. It is a story I found myself thinking about long after I'd finished the final pages." -Kim Edwards, author of *The Memory Keeper's Daughter* "A poignant, beautifully written, and intensely moving memoir" -Abraham Verghese, author of *Cutting for Stone* "The Shape of the Eye is a memoir of a father's love for his daughter, his struggle to understand her disability, and his journey toward embracing her power and depth. Estreich is raw and honest and draws us each into a new view of what it means to be 'human' and what it means to be 'different.' This book is beautifully written, poetically insightful, and personally transformative. To read it is to rethink everything and to be happy because of the journey." -Timothy P. Shriver, Ph.D., Chairman & CEO of the Special Olympics "The Shape of the Eye personalizes Down syndrome, bringing a condition abstracted in the medical literature into the full dimensionality of one family's life. It's brave of George Estreich to make what has befallen his family so public, trusting of him to let an unknown audience second-guess the family's choices. Because he's opened his home and heart in this memoir, we are privileged to

witness in chaotic, heart-wrenching, joyous detail what it means to have and to love a child with Down syndrome." -Marcia Childress, Associate Professor of Medical Education (Medical Humanities), University of Virginia School of Medicine

Bloom Nicola Skinner 2019-04-04 A beautifully written, incredibly original and wickedly funny novel for readers of 10 and older - BLOOM is for everyone who has ever felt like they didn't fit in, and for anyone who has ever wanted a little more colour and wildness in their lives...

Bloom Kelle Hampton 2012-04-03 "In her tender and genuinely beautiful memoir, Kelle Hampton encourages us to not simply accept the unexpected circumstances of our lives, but to embrace them like the things we wished for all along." -Matthew Logelin, New York Times bestselling author of *Two Kisses for Maddy* Bloom is an inspiring and heartfelt memoir that celebrates the beauty found in the unexpected, the strength of a mother's love, and, ultimately, the amazing power of perspective. From the outside looking in, Kelle Hampton had the perfect life: a beautiful two-year-old daughter, a loving husband, a thriving photography career, and great friends. When she learned she was pregnant with her second child, she and her husband, Brett, were ecstatic. Her pregnancy went smoothly and the ultrasounds showed a beautiful, healthy, high-kicking baby girl. But when her new daughter was placed in her arms in the delivery room, Kelle knew instantly that something was wrong. Nella looked different than her two-year-old sister, Lainey, had at birth. As she watched friends and family celebrate with champagne toasts and endless photographs, a terrified Kelle was certain that Nella had Down syndrome—a fear her pediatrician soon confirmed. Yet gradually Kelle's fear and pain were vanquished by joy, as she embraced the realization that she had been chosen to experience an extraordinary and special gift. With lyrical prose and gorgeous full-color photography, Bloom takes readers on a wondrous journey through Nella's first year of life—a gripping, hilarious, and intensely

poignant trip of transformation in which a mother learns that perfection comes in all different shapes. It is a story about embracing life and really living it, of being fearless and accepting difference, of going beyond constricting definitions of beauty, and of the awesome power of perspective. As Kelle writes, "There is us. Our Family. We will embrace this beauty and make something of it. We will hold our precious gift and know that we are lucky."

Immersed Valerie Hall 2016-04-01 Immersed is a hybrid book of vivid photography and candid narrative, describing the challenging, surreal experience of having twin sons with severe autism. Valerie Hall's episodic text chronicles Jack's and James's condition as it transforms family life and poses ominous implications for the future. Her reactions to her own life in a world where autism makes the rules are candid and unfiltered. She rejects the tropes of most autism literature, spurning both memoir and "how-to" prescriptions. Instead she invites you to encounter Jack and James as she does, as boys that are both beautiful and broken. The day-to-dayness of her account has the disturbing effect of allowing the reader to step into a world where expectations are upended and encounters take on an aura of the surreal. Bruce Hall aims his camera at Jack and James and brings back photographs that are unflinchingly close and personal. Through his very specificity, he opens a wider window into a foreign realm--the deep internal experience of autism. This selection of images is from Hall's extended investigation of autism's roiling surface. But it may well be something scarcer in photography and in art--a study not of surface, but of great depth.

Return to Magnolia Bloom Paula Adler 2020-10-20 Her marriage was magical. Until it wasn't... With divorce looming, Paige MacInnes isn't sure what to do with herself. She's spent so much time being everything to everyone else that she's pretty sure she's forgotten how to just be Paige, the woman. Maybe she'll be able to find herself again in Magnolia Bloom... With the help of

loved ones and lifelong friends (and maybe even a sexy Scotsman), Paige will need to figure out how to preserve the legacy of the MacInnes estate--all while learning the importance of trusting her heart, the power of second chances, and ensuring her own happily ever after.

Welcome to Magnolia Bloom, where anything is possible--even an authentic Scottish castle in the magnolia groves of East Texas, brought to life not by a woman's determination and defiance.

Count Us In Jason Kingsley 1994-01-12 Award winner: "Hearing about Down syndrome directly from these young men has a good deal more impact than reading any guide from a professional." --Booklist This book is in Mitchell and Jason's own words. . . . We wanted readers to have a true-to-life sense of their charm, their directness, their humor and warmth, and, yes, their intelligence. At ages nineteen and twenty-two, respectively, Jason Kingsley and Mitchell Levitz shared their innermost thoughts, feelings, hopes, dreams--and their experiences growing up with Down syndrome. Their frank discussion of what mattered most in their lives--careers, friendships, school, sex, marriage, finances, politics, and independence--earned *Count Us In* numerous national awards, including the EDI Award from the National Easter Seal Society. More important, their wit, intelligence, candor, and charm made for a powerful and inspirational statement about the full potential of people with developmental disabilities, challenging prevailing stereotypes. In this edition, with a new afterword, the authors also discuss their lives since then: milestones and challenges, and changes both expected and unexpected. "Their parents were told to expect nothing. But Jason Kingsley and Mitchell Levitz were lucky, because their parents didn't listen. They gave their sons that chance to show how far they could go--and they've astounded everyone!" --Jane Pauley "This single volume will do more to change stereotypes about Down syndrome than any book I have read. These two young men steal our hearts and wash away generations of misconceptions." --Mary L. Coleman, MD, Emeritus,

Georgetown University "An excellent illustration of what it's like to have Down syndrome . . . Most moving here are the portrayals of strong family relationships."

-Publishers Weekly "Will open eyes and touch the heart."

-Library Journal

Finding Your Smile Again Jeff A. Johnson 2007-04-01

Using warmth and humor, this book offers techniques for dealing with the everyday stress of being a childcare professional. Written by a caregiver who's been there, it describes the symptoms and causes of burnout, with advice to get through each challenge.

The 6 Needs of Every Child Amy Elizabeth Olrick

2020-06-09 Like most parents, Amy and Jeffrey Olrick left the hospital with their first child desperate to know, "What do we do?" But years of parenting three kids and Jeffrey's work as a child psychologist convinced them to ask a better question: "How shall I be with this new person?" In a culture obsessed with parenting formulas, it's easy to miss the fact that science and lived experience have proven that human development and thriving are a matter of relationship. Drawing on decades of psychological research, neuroscience, and their own experience as parents and people of faith, the Olricks present six relational needs for human growth that will transform the way you think about your child--and yourself. Together, the needs form a trustworthy compass to guide you and your child to a path of purpose and relational wholeness. For parents who feel pulled in a hundred directions, dizzied by the volume of clashing strategies, and jaded by the parenting programs that complicated their own childhoods, *The 6 Needs of Every Child* is a groundbreaking roadmap integrating the science of connection with practical tools. You'll be equipped with: An in-depth look at the six essentials your child needs to thrive Tools to use when you feel stuck The secret to secure connection with your child Self-assessment tools to discern your unique parenting style More than a parenting guide, this book is your invitation to break free from the myth of perfect parenting and embrace your child's long journey of

growth. With insight, humor, and compassion, it calls parents to discover the power of being imperfectly present with their children, developing mental, emotional, and spiritual resilience that will sustain them for a lifetime.

When Charley Met Emma Amy Webb 2019-03-12 Winner of a 2019 Foreword INDIES Award Bronze Medal When Charley goes to the playground and sees Emma, a girl with limb differences who gets around in a wheelchair, he doesn't know how to react at first. But after he and Emma start talking, he learns that different isn't bad, sad, or strange--different is just different, and different is great! This delightful book will help kids think about disability, kindness, and how to behave when they meet someone who is different from them.

Into Green Rose Ray 2021-11-02 Into Green is a meditative and engaging guide to help us reconnect with nature and tune in to the natural world around us

Anchored Kayla Aimee 2015-07-01 You count a pregnancy by weeks and Kayla Aimee had only ticked off 24 of the 40 when she unexpectedly went into labor. She thought her church upbringing had prepared her for every circumstance but when tragedy struck and threatened to take the life of her newborn daughter, it felt as though once solid ground had turned to glass beneath her feet, destined to shatter everything she held sacred. When swept into a story of suffering, we all find ourselves vulnerable, questioning everything we thought we knew as we wonder, "Where is God in this?" With everything feeling as fragile as her one and a half pound daughter, Kayla finds herself asking that same question as she faces her greatest fear: that she may have finally become a mother just to lose her only child. Both poignant and humorous, *Anchored* recounts Kayla's gripping story of learning to navigate her newfound motherhood in the most unexpected of ways, from holidays in the hospital and middle-of-the-night phone calls to the joy of coming home. With vulnerability and plenty of wit, Kayla lays bare her struggle to redefine her faith, her marriage, and herself within the context of a

tragedy she never saw coming. For anyone who has felt their faith in God falter, *Anchored* extends a gentle invitation to join her as she uncovers a hope that holds.

In Bloom Kayla Aimee 2018-02-06 Poignant, laugh-out-loud-funny, a must-read book for any woman who has ever felt like she just doesn't measure up.—Crystal Paine, *New York Times* best-selling author Every woman is intimately acquainted with feelings of insecurity and inadequacy. Whether fueled by a culture of makeover shows, by the lingering memories of mean girls, or by events much more wounding to the soul, we can become so conditioned by self-doubt that it becomes our inner monologue. What we want is to be free of shame and comparison, to turn our uncertainty into a bold confidence. But to flourish in our own skin, we first have to rewrite the narrative. In this fearless, funny, and refreshingly relatable chronicle of her own metamorphosis from the insecurity that once held her captive, author Kayla Aimee unfolds the blueprint for women to:

- Identify the deep-seated sources of our assumed inadequacy and replace them with steadfast truths of scriptural affirmation
- Replace our need for approval with the enduring promise of acceptance
- Uncover our purpose, unlock our potential, and celebrate the God-given gifts in our unique personality

To every woman who longs for belonging, this journey through Kayla's inviting prose, biblical promises, and journaling prompts will help guide her from restless insecurity to a beautiful becoming.

Shakespeare Harold Bloom 1999 Harold Bloom, the doyen of American literary critics and author of *The Western Canon*, has spent a professional lifetime reading, writing about and teaching Shakespeare. In this magisterial interpretation, Bloom explains Shakespeare's genius in a radical and provocative re-reading of the plays.

Tahira in Bloom Farah Heron 2021-11 Life is full of surprises in a winning novel about a girl dreaming big during one unexpected small-town summer. When seventeen-

year-old aspiring designer Tahira Janmohammad's coveted fashion internship falls through, her parents have a Plan B. Tahira will work in her aunt's boutique in the small town of Bakewell, the flower capital of Ontario. It's only for the summer, and she'll get the experience she needs for her college application. Plus her best friend is coming along. It won't be that bad. But she just can't deal with Rowan Johnston, the rude, totally obsessive garden-nerd next door with frayed cutoffs and terrible shoes. Not to mention his sharp jawline, smoldering eyes, and soft lips. So irritating. Rowan is also just the plant-boy Tahira needs to help win the Bakewell flower-arranging contest—an event that carries clout in New York City, of all places. And with designers, of all people. Connections that she needs! No one is more surprised than Tahira to learn that floral design is almost as great as fashion design. And Rowan? Turns out he's more than ironic shirts and soil under the fingernails. Tahira's about to find out what she's really made of—and made for. Because here in the middle of nowhere, Tahira is just beginning to bloom.

The Simple Beauty of the Unexpected Marcelo Gleiser 2016-06-07 Marcelo Gleiser has had a passion for science and fishing since he was a boy growing up on the beaches of Rio de Janeiro. Now a world-famous theoretical physicist with hundreds of scientific articles and several books of popular science to his credit, he felt it was time to connect with nature in less theoretical ways. After seeing a fly-fishing class on the Dartmouth College green, he decided to learn to fly-fish, a hobby, he says, that teaches humility. In *The Simple Beauty of the Unexpected*, Gleiser travels the world to scientific conferences, fishing wherever he goes. At each stop, he ponders how in the myriad ways physics informs the act of fishing; how, in its turn, fishing serves as a lens into nature's inner workings; and how science engages with questions of meaning and spirituality, inspiring a sense of mystery and awe of the not yet known. Personal and engaging, *The Simple Beauty of the Unexpected* is a scientist's tribute to nature, an affirmation of

humanity's deep connection with and debt to Earth, and an exploration of the meaning of existence, from atom to trout to cosmos.

Hackney by Night David George 2015-11-10 David George's photographs of Hackney by night reveal urban landscapes of eerie stillness but also unexpected beauty. Here is the London that we miss when we sleep, that is more beautiful than in our dreams. The images are accompanied by a short story by Karen Falconer that takes the reader on a parallel journey into the night of someone's memory.

Rabbit Patricia Williams 2017-08-22 Finalist for an NAACP Image Award for Outstanding Literature Finalist for a 2018 Southern Book Prize for Biography and History "I pounced on [Ms. Pat's] book. And I thought she did such a great job...God, [Rabbit] was entertaining. And I recommended it to so many people." -David Sedaris, author of the New York Times bestseller Calypso "An absolute must-read" - Shondaland "[Rabbit] tells how it went down with brutal honesty and outrageous humor" - New York Times "I know a lot of people think they know what it's like to grow up in the hood. Like maybe they watched a couple of seasons of The Wire and they got the shit all figured out. But TV doesn't tell the whole story." - Ms. Pat They called her Rabbit. Patricia Williams (aka Ms. Pat) was born and raised in Atlanta at the height of the crack epidemic. One of five children, Pat watched as her mother struggled to get by on charity, cons, and petty crimes. At age seven, Pat was taught to roll drunks for money. At twelve, she was targeted for sex by a man eight years her senior. By thirteen, she was pregnant. By fifteen, Pat was a mother of two. Alone at sixteen, Pat was determined to make a better life for her children. But with no job skills and an eighth-grade education, her options were limited. She learned quickly that hustling and humor were the only tools she had to survive. Rabbit is an unflinching memoir of cinematic scope and unexpected humor. With wisdom and humor, Pat gives us a rare glimpse of what it's really like to be a black mom in America.

Sisters in Bloom Melissa Foster 2013-09-18 Kaylie Snow has always been the fun, flirty, pretty sister. Now her burgeoning baby bump, hormone-infused emotions, and faltering singing career are sending her into an unexpected identity crisis. Watching her older sister, Danica, glide through a major career change and a new relationship with the grace of a ballerina, Kaylie's insecurities rise to the forefront--and her relationship with fianc Chaz Crew is caught in the crossfire. Chaz Crew has everything he's ever wanted: a lovely fiancée, a baby on the way, and soon, the film festival he owns will host its biggest event ever. When he's called away to woo the festival's largest sponsor--and the lover he's never admitted to having--secrets from his past turn his new life upside down. With her baby shower around the corner and her fianc's big event looming, the pressure is on for Kaylie to pull herself together--and for Chaz to right his wrongs. In a few short weeks, the couple who had it all figured out will learn things about life and love that may change their minds--and their hearts.

Love Warrior (Oprah's Book Club) Glennon Doyle 2016-09-08 WHAT CAME BEFORE HER NEW #1 BESTSELLER UNTAMED ... 'IT'S AS IF SHE REACHED INTO HER HEART, CAPTURED THE RAW EMOTIONS THERE, AND TRANSLATED THEM INTO WORDS THAT ANYONE WHO'S EVER KNOWN PAIN OR SHAME CAN RELATE TO' OPRAH WINFREY, Oprah's Book Club 'EPIC' ELIZABETH GILBERT | 'BLEW ME AWAY' BRENÉ BROWN ... Just when Glennon Doyle was beginning to feel she had it all figured out - three happy children, a doting spouse, and a writing career so successful that her first book catapulted to the top of the New York Times bestseller list - her husband revealed his infidelity and she was forced to realize that nothing was as it seemed. A recovering alcoholic and bulimic, rock bottom was a familiar place to Glennon. In the midst of crisis, she knew to hold on to what she discovered in recovery: that her deepest pain has always held within it an invitation to a richer life. Love Warrior is the story of one marriage, but it is also the story of the healing that

is possible for any of us when we refuse to settle for good enough and begin to face pain and love head-on. Love Warrior is a gorgeous and inspiring tale of how we are born to be warriors: strong, powerful, and brave; able to confront the pain and claim the love that exists for us all. This chronicle of a beautiful, brutal journey speaks to anyone who yearns for deeper, truer relationships and a more abundant, authentic life. AN OPRAH BOOK CLUB SELECTION

I Love You, Lola Bloom Rosy Dee 2020-10-26 Some love stories write themselves. After a series of disastrous relationships, designer Maddison Appleby is fed up with everything love has had to offer, and can't help but feel she's destined to be alone forever. That is, until a chance encounter at a local book club sparks an unexpected connection with the beautiful Ruby Wilson - aka renowned lesbian author, Lola Bloom. Maddison can't believe her luck when Ruby asks her to design her new book cover, and as they spend more time together, Maddison sees a glimmer of hope for her dispirited love life. However, her hopes are soon dashed, and to top it all off, her past makes an unwelcome reappearance which threatens to make her world come crashing down. Will Maddison get her long-awaited happily ever after? Or will she admit defeat and purchase her one-way ticket to Singledom? Debut author Rosy Dee brings you a slow-burn romantic comedy with all the feels and an extra sprinkling of hearts for good measure.

Just Cate Noelle Alix 2012-04-01 Just Cate opens in the delivery room with Noelle Alix, a 29-year-old finance attorney in a large New York City firm, whose newborn daughter Cate is unexpectedly born with Down syndrome. On hearing the news, Noelle's childhood friend, Angela Martin, is inspired by her faith to write Noelle a heartfelt note in a baby card. This note and this child spark a transformative 12-year journey of renewed faith and friendship for both women - their second stage of growing up. With humor and heart, the coauthor friends tell a dual tale of the angst and joys of raising a child with a disability, of the power of women

friendship, and of Cate's funny poignant early years. **The Seven Spiritual Laws Of Success For Parents** Deepak Chopra 2008-09-04 'Deepak Chopra's thoughts on spirituality and child rearing are original, profound and fascinating' BENJAMIN SPOCK, MD Deepak Chopra's Seven Spiritual Laws of Success have touched a chord around the globe because of their simplicity and trust. This parenting book takes those laws one by one and explores the many ways parents can bring them into the lives of their children. Explaining that success depends on who you are rather than what you do, this world-renowned physician and author shows that spirituality lies at the source of all achievement in life. Suggesting ways that parents can help their children absorb this timeless wisdom from an early age, Deepak Chopra offers a daily programme of practical, thought-provoking ideas for the whole family to follow. In this way, parents can teach their children how to live in the most effortless, harmonious and creative way - and thus know true abundance throughout their lives.

My Friend Has Down Syndrome Jennifer Moore-Mallinos 2008 Sensitively written stories encourage preschool-age and early-grade children to explore their feelings, deal with problems that trouble them, and understand others who have problems of their own.

Walter and the Wallet Billy Bloom 2018-10-15 Walter Whippingdale is having a bad day. A very very bad day. But then he finds a wallet stuffed with money lying in the street. And just like that, everything changes. *No-one Ever Has Sex on a Tuesday* Tracy Bloom 2014 Na een schoolreünie hebben twee vroegere liefjes seks met elkaar en komen elkaar vervolgens weer tegen bij een zwangerschapscursus.

Bloom Kelle Hampton 2013-04-02 There is us. Our Family. We will hold our precious gift and know that we are lucky . . . From the outside looking in, Kelle Hampton had the perfect life: a beautiful two-year-old daughter, a loving husband, and a thriving photography career. When she learned she was pregnant with their second child, they were ecstatic. But when their new daughter was placed in her arms in the delivery room, Kelle knew instantly that something was wrong. Nella looked different than her sister, Lainey, had at birth. As her friends and family celebrated, a terrified Kelle was certain that Nella had Down syndrome—a fear her pediatrician soon confirmed. Yet gradually Kelle embraced the realization that she had been chosen to experience an extraordinary and special gift. With lyrical prose and gorgeous photography, *Bloom* takes readers on a wondrous journey through Nella's first year of life—a gripping, hilarious, and intensely poignant trip of transformation in which a mother learns that perfection comes in all different shapes.

The Flower Book Rachel Siegfried 2017-02-07 The Flower Book explores 60 flowers, bloom-by-bloom in stunning portraiture. Lush macrophotography allows readers to see the details of each featured flower up close, from the

amaryllis in spring, snapdragon in summer, and dahlia in fall to tropical wonders such as orchids and more. Intimate portraits of each flower include quick-reference profiles with tips for choosing the best blooms, care for cut stems, arranging recommendations, colors, shapes, and even growing tips to transform the home, from yard to tabletop. Gorgeous photographs throughout spotlight 30 sample floral arrangements that show how to design and build custom floral arrangements using featured blooms. Plus, a step-by-step techniques section walks beginners through the basics of foliage and fillers, bouquets, and arrangements to make this book as practical as it is beautiful. The Flower Book celebrates all the wonderful qualities of flowers—their sheer beauty, infinite variety, and power to evoke admiration—bloom by exquisite bloom.

The Boy's Body Book Kelli Dunham 2013-07-09 The Boy's Body Book is here to help with expert advice, common sense tips, fast facts, and answers to all questions a boy might have about growing up.

The Wolf Nate Blakeslee 2017-11-02 A New Statesman Book of the Year The wolf stands at the forefront of the debate about our impact on the natural world. In one of the most celebrated successes of modern conservation, it has been reintroduced to Yellowstone National Park. What unfolds is a riveting multi-generational saga, at the centre of which is O-Six, a charismatic alpha female beloved by park rangers and amateur spotters alike. As elk numbers decline and the wolf population rises, those committed to restoring an iconic landscape clash with those fighting for a vanishing way of life; hunters stalk the park fringes and O-Six's rivals seek to bring an end to her dominance of the stunningly beautiful Lamar Valley.
