Just By Chance Harold J. Reid 2019-01-08 Just by Chance has comedy, romance and tragedy all wrapped up in one novel! This story follows the unusual lives of four generations of the Hanson family. The beginning catches your interest immediately and the end of each section makes you want to keep reading to find out what's going to happen next. The ending is both touching and funny. The author's unusual and sometimes morbid sense of humour will keep you chuckling and groaning throughout. Just by Chance takes a lighthearted look at retirement homes, cemeteries, the people who show up at funerals homes, the Hanson family who try to take advantage of the funeral home, and death itself (as people do have to die and quite often in strange and unique ways).

Boatowner's Mechanical and Electrical Manual Nigel Calder 2017-04-17 This manual takes both novice and

experienced boatowner through minor to major repairs of electrical systems, engines, electronics, steering systems, generators, pumps, cookers, spars and rigging. When it was first published in 1990, the Boatowner's Mechanical & Electrical Manual broke new ground. It was hailed as the first truly DIY manual for boatowners and has sold in its thousands ever since. There have been significant changes in boat systems since then, particularly electrical systems, and this fourth edition has been fully updated to reflect these developments and expand its predecessor's worldwide popularity. 'Probably the best technical reference and troubleshooting book in the world' Yachting Monthly 'It deserves to come standard with every boat' Yachting World
