**Wild With You** Layla Hagen I am wildly successful in my career. Everyone knows Graham Frazier, soccer club

I hadn't expected the long hours with Lori to make me wonder. Wedding planning is Lori Connor's favorite thing, a vicarious escape from her life as a single mom. I doubt she's ever had a client fluster her like I seem to. She says she's supposed to keep my sarcasm in check, but I keep finding her eyes on my abs more than my best man's speech. Maybe that's how her guard got lowered enough to end up spending the night with me. I was already pursuing her relentlessly before I met her son, but damned if that kid doesn't have me wrapped around his finger even faster than his mother did. Lori seems charmed by the bond forming between her little guy and myself. They're rapidly consuming my every waking thought—but can I truly

Running a booming fragrance business gives Valentina Connor a great excuse to avoid dating. But I see right through her. I'm not going to be another bad decision. I'd move mountains to make her happy, but with Val's career soaring, how can I ask her to commit to the chaos of my life?

2020-07-06 In business circles, I'm known for being cutthroat and demanding. Robert Dumont is a hardass, they say. And it's true. I thrive on challenges. Taking the family-owned restaurant chain to the next level is my passion. When my sister's marriage implodes, I head back to New York, to be there for her and my niece. These are my only two priorities: growing the business and taking care of my family. My new neighbor is a temptation I hadn't counted on. Skye Winchester is bold, sensual and I just can't keep my distance. I'm determined to make her mine. But once I've touched her, I want more. I want to worship her all night long. As a business owner herself, Skye's got enough on her plate. I was expecting her to run in the opposite direction when she realizes how complicated my life is. I may be bulletproof, but I can't seem to deflect them. No matter how many times I patiently explain that I don't believe in love. I hadn't counted on Ava Lindt. Beautiful. Funny. **One of a Kind** Sandi Lynn 2021-10-24  
From the New York Times bestselling author Sandi Lynn comes a brand new brothers series you'll want to devour! Sam I made a promise not to sleep with my new personal assistant. Too late. I'd already slept with her before I knew Grayson, my human resources director, hired her. Long story short. We first met at a café when she let me have the last apple turnover. Then I saw her again that same night at a bar. She was incredibly sexy, and she wanted me as

much as I wanted her. We both agreed it was a one-time thing, and she left the following day. Imagine the shock on both our faces when she showed up for work on Monday. I wasn't a relationship type of guy and for good reasons. Julia Benton had her own reasons why she wasn't looking to get involved with anyone. So, continuing our sexual relationship was a win-win for both of us. But the more time we spent together, feelings I'd never felt before started to emerge. Then things became complicated, and she quit to pursue her dreams. I knew how much it meant to her, and I didn't care. Now that I'd lost her, I wanted, no, I needed her back in my life, and I would do anything to make sure that happened. Julia He was the sexy and domineering man who wore an expensive suit. A man who cracked the hard shell I'd built around myself for the past four years. I wasn't looking for someone to save me, but Sam unintentionally did just that.

Then I was given a chance to pursue my lifelong dream. He tried to stop it from happening by showing me exactly who he was. My only focus now was starting the business I'd always wanted and leave Sam behind in the trail of a disaster he created between us. The problem was: he truly was one of a kind, and I had to use every bit of strength I had to forget him. 18+

He touches me like I'm precious, and holds me close... barely stopping his fingers from pushing down the straps of my dress... Our second night is sexy as hell. Intense. Alluring. **Charmed by the Bartender** Piper Rayne, Inc. 2017-10-30 Who knew sleeping with the enemy could be this fun? Was the one night stand a good idea? Well, no. Probably not in retrospect. In my defense I had just moved back into my grandparent's house, I'd lost my dream job, and a guy on Tinder had stood me up. It was like life had suddenly stamped 'LOSER' on my forehead. So when the guy behind the bar started giving me THE look...you know, the one that promised I'd be screaming his name into the wee hours of the morning? When that guy also has the perfect amount of scruff on

his chiseled chin, biceps bulging out of his t-shirt, and a cocky grin you knew he'd earned in the sack...when he gives you that look, you don't bother to figure out what your six degrees of separation are. You jump on that horse and ride it! Pun fully and completely intended. And accurate by the way. I fully admit to feeling sorry for myself and acting impulsively, but by the time I'd figured out WHO the bartender was, I was already falling for him. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

2017-02-17 The best part about being Christopher Bennett is that no one ever really says no to me. I'm persuasive. I'm witty. And boy, do I know how to turn on the charm. If only I could turn my family's attempts at persuasion off. Their meddling is out of control. No one asked them to matchmake. Certainly not me. And certainly not with an interior decorator raising her younger siblings. Then Victoria Hensley turns out to be more than just a decorator. Her laughter is contagious. Her beautiful lips and curves are beyond tempting. Sparks are flying between us, to my dismay and my family's delight. Next thing I know, I'm training her brother in soccer and reading bedtime stories to her sister. Who am I? Turns out I can't say no to Victoria. And I refuse to let her say no to me. I know I'm a client, that I'm technically off-limits. But doesn't that make it all the more exciting?

2018-02-13 From USA Today bestselling author Jennifer Bernard comes a second chance to fall in love ... Ben, the most romantic of Jupiter Point's smoking hot Knight brothers, knew from the moment he met his high school sweetheart, Julie deGaia, that she was the one for him. Marriage, kids...he wanted forever with Julie—until the moment she skipped town without a word. Then Ben's father was murdered, and his life was irrevocably changed. Now, after twelve years, Julie's back. Ben's over her, of course. They're completely different people now. Right. If they're so different, why do his feelings for her seem so damn familiar? And how, after all this

time, can she still make Ben so hot and bothered? Julie was never supposed to return to Jupiter Point. It's only by staying away that she's ensured her safety. But she owes a huge debt to the wealthy and demanding Reinhard family, who took her in as a child. What the Reinhard's want, they get, so here she is, dodging a handsomer-than-ever Ben Knight. Her former sweetheart has turned into a hunky pilot who aims that sexy smile at everyone except her—until he learns the truth about why she left in the first place. If the past can't keep Ben and Julie apart, a deadly threat in the present might. As for that idyllic future they always dreamed about? It might take some Jupiter Point magic to put this star-crossed couple on the road to happy ever after.

Your Fierce Love Layla Hagen

2017-07-31 They say Blake Bennett is downright irresistible. They're mostly right. I've never had to work too hard to fill my bed. One smile is usually all it takes. I like it like

that. With the men of my family dropping like flies into true love and marriage, it's nice to know one of us can still maintain the famous Bennett bachelor lifestyle. Even if they are starting to pressure me to join them. So how has Clara Abernathy managed to resist all my charms? Her sweetness and sass are a lethal combination, and I'm dying for just one taste. Our family has treated her like one of our own for years. After spending her life in group homes, we've given her a place to belong. And after she needs a place to stay, I offer her a literal home next door to me. Yeah, maybe hooking up with me would be crossing a line. Just a little. I know family friends are off-limits. She has professional conflicts on top of it. But she's filling a hole in me I didn't even know I had. Soon I have this bizarre compulsion to make her this happy too. I've always liked bending the rules, but will this be the one that

2016-03-20 Everyone knows my priorities. Logan Bennett, loyal to my family and my company. And that's all. No time for love. No desire for it. Not since my failed engagement. I'm done with romance. Then Nadine Hawthorne waltzes into my life as though she has no idea she's turning everything upside down. She's all, "oh, I'm focusing on my clothing company," and "I can't afford distractions," as though she isn't distracting me from focusing on anything but her. She's sexy, she's captivating. She doesn't believe in love either. Clearly, the best way to get each other out of our systems would be to have a brief fling. We're on the same page about love, after all. Being together is addicting... even if I am suspicious that my family is scheming about us. Our attraction is fiery, and our connection is undeniable. I'm winning

her over, and vice versa. What started as a flirtation is soon spiraling into much more than either of us are prepared for. So when a mistake threatens to tear us apart, will we have the strength to hold on?

2019-09-09 I've always relished being a man of mystery. My LA hotel empire is public, but my private life as plain old Reid Davenport stays that way. Right up until it doesn't, and the tabloids threaten not just my privacy, but that of my family. I'd do anything to protect them from the limelight. But must it involve Hailey, the fiery PR consultant I can't stop fantasizing about? Hailey Connor keeps warning me she won't take on an uncooperative client. So why is she so compelled to help me? Maybe it's something about how her face softens when I talk about my family. Maybe it's because she genuinely wants to help. Or maybe it's my brooding demeanor that causes

I think Hailey is starting to fall for me, despite being my polar opposite. But when our worlds collide, can I convince her we're a perfect match?

**Your Endless Love** Layla Hagen  
2018-01-17 I can already see the headlines: "Alexander Westbrook Buries Sorrows In Charity Work." No thanks. I don't want to be another one of those Hollywood actors, all PR and no heart. For me, giving back is the best part of fame, and to use my trip to the group home to get good press would taint that. Besides, my sister's been bugging me nonstop to find something-or someone-to distract me from the failed engagement to my former co-star. Enter Summer Bennett, volunteer at St Anne's and certified believer in happy endings. Spending

time with her out of the spotlight is a sweet relief from my typical tabloid-ready life back in Los Angeles. The idea of spending the next two weeks with her is too good to turn down. Her entire body responds to a simple smile from me, and mine is helpless to resist her either. I can't risk my career for a girl. My studio contract doesn't allow it anyways. But I can't keep my hands to myself. Our secret kisses and whispered conversations have sparked a fire we're powerless to extinguish. How can I possibly turn our two weeks into something endless?
