Planet Middle School Dr. Kevin Leman 2015-09-29 It happens to every parent. One day, you have a sweet son or daughter who loves to snuggle on the couch and who puts a smile on your face just by walking into the room. The next day, it's as if someone left the door open and let in an alien with a smart mouth and an attitude that, frankly, you could do without. Entering middle school is like stepping onto a different planet--for parent and child alike. It's a planet where peer pressure, social media, and hormones can wreak havoc in your child's life and in your relationship with him or her. But these years don't have to create chaos in your family. Parenting expert and New York Times bestselling author Dr. Kevin Leman's time-tested principles will aid parents in helping their middle schooler not only survive but thrive during these turbulent years on Planet Middle School. He shows parents how to - understand their child's rapidly expanding world - respond rather than react to emotional swings - tell their child about sex (before someone else tells them their version) - create opportunities for their child to practice selflessness and gratitude - ensure that their kid is one who loves home and family Middle schoolers can be a weird, unpredictable species. But with a little help from Dr. Leman, parents will be able to ride out the interstellar storm with humor and confidence.

What a Difference a Mom Makes Dr. Kevin Leman 2012-09-01 Every mom wants the best for her son. She wants him to succeed in life, to be a man of character, to find a good woman, to be a great dad. But sometimes boys are hard for moms to understand. Sometimes they're strange, annoying, and downright disgusting! Yet always they need a mother who is engaged and interested in them, because a mom is the most important person in a boy's life. In *What a Difference a Mom Makes*, New York Times bestselling author Dr. Kevin Leman uses his wit and wisdom to show Mom how to lay the groundwork that will allow her son to grow into a good man. Armed with Dr. Leman's expert advice and insight, Mom will gain an understanding of her boy at every stage, from that very first diaper change to the moment he leaves for college. Dr. Leman shows how to discipline a boy, how to command respect, how to let him fight his own battles, how to understand his sexuality, and how to weather the changes in the mother-son relationship as he grows up. Most of all, Leman shows Mom how to lighten up and have some fun along the way with that boy who will always have her heart.

Have a New Teenager by Friday Dr. Kevin Leman 2011-09-01 Parents may survive the terrible twos and the first years of school all right, but the teenage years bring entirely new and alien creatures. So, parents have a choice: either send that teenager to boarding school and visit him when he reaches normalcy again (in about ten years) or choose to experience the best, most fun years of life--together! The secret is in how the parental cards are played. With his signature wit and commonsense psychology, internationally recognized family expert and New York Times bestselling author Dr. Kevin Leman helps parents communicate with the "whatever" generation establish healthy boundaries and workable guidelines gain respect--even admiration--from their teenager turn selfish behavior around navigate the critical years with confidence pack their teenager's bags with what they need for life now and in the future become the major difference maker in their teenager's life Teenagers can successfully face the many temptations of adolescence and grow up to be great adults. And parents, Dr. Leman says, are the ones who can make all the difference, because they count far more in their teenager's life than they'll ever know . . . even if their teenager won't admit it (at least until she's in college and wants to know how to do the laundry).

Education a la Carte Dr. Kevin Leman 2017-09-05 Every parent wants the best possible education for their child--one that fits their child's unique needs, challenges them to grow, and equips them to succeed. But there are so many options--public, private, and charter schools, plus homeschooling and online schooling--that it's easy for parents to feel overwhelmed and, well, undereducated about the choices. What's more, while one schooling option may be right for one child, it may be challenging for another. And sometimes the same child will thrive in one environment in elementary school but falter in that same environment in middle school. What's a parent to do? Parenting expert and longtime educator Dr. Kevin Leman can help. In this practical book, he clearly explains the pros and cons of various schooling options so that parents can make an informed choice about the kind of education that will help their child thrive. He shows parents how to stay involved and engaged with their child's education every step of the way, knowing that the choices they make about school now will reverberate long into that child's future.
