**Go Down Together** Jeff Guinn 2012-12-25 From the moment they first cut a swathe of crime across 1930s America, Clyde Barrow and Bonnie Parker have been glamorised in print, on screen and in legend. The reality of their brief and catastrophic lives is very different -- and far more fascinating. Combining exhaustive research with surprising, newly discovered material, author Jeff Guinn tells the real story of two youngsters from a filthy Dallas slum who fell in love and then willingly traded their lives for a brief interlude of excitement and, more important, fame. Thanks in great part to surviving relatives of Clyde Barrow and Bonnie Parker, who provided Guinn with access to never-before-published family documents and photographs, this book reveals the truth behind the myth, told with cinematic sweep and unprecedented insight by a master storyteller.

*Quanah Parker, Comanche Chief* William T. Hagan 2012-11-15 The son of white captive Cynthia Ann Parker, Quanah Parker rose from able warrior to tribal leader on the Comanche reservation. Between 1875 and his death in 1911, Quanah dealt with local Indian agents and with presidents and other high officials in Washington, facing the classic dilemma of a leader caught between the dictates of an occupying power and the wrenching physical and spiritual needs of his people. He maintained a remarkable blend of progressive and traditional beliefs, and contrary to government policy, he practiced polygamy and the peyote religion. In this crisp and readable biography, William T Hagan presents a well-balanced portrait of Quanah Parker, the chief, and Quanah, the man torn between two worlds.

**Know it All, Find it Fast** Bob Duckett 2002 Answering questions from its users is one of the most important services undertaken by a library's staff. Yet it is one of the most difficult, least understood and most neglected of subjects. This book is a guide for library staff to check where to go to quickly find the answers they need. It is designed as a first point of reference for library staff, to be depended on if they are unfamiliar with the subject of an enquiry - or wish to find out more - and is arranged in an easily searchable A-Z list of around 250 of the subject areas most frequently handled at enquiry desks. Each subject entry lists information sources and where to locate them, including printed and electronic sources, relevant websites and other contacts for referral purposes. Entries also include notes on typical questions asked and how to tackle them, including supplementary questions you may need to ask enquirers to find out what they really want.

**The Thought of Snow** Adam T. T. Game 2020-01-12 My Journey We've all got a few demons inside us, Some that walk beside us, Some that fight us, They all try to find us, Some to control us and ride us, But we're the ones that are riding, Down this path, Who begin slipping and gliding, It's frightening when we become blinded and can't see a way out, I couldn't find him, The boy that I used to call Ed, He led me into the dark, Made me temporarily dead, Now his temper is dead, And so is he, So, goodbyes must be said, I won't cry, But my head is leaking, My thoughts keep on seeping, Into these poems, Some obvious, Some discretely, Some slowly, Some quickly, Some funny, Some sick themes, Because what I went through was sickening, I'll start with topics that are rather dark, Suicidal thoughts, Self-harm, One broken heart, Delusions about noughts, Anger that's calm, And all the other things that left marks, Both physical and mental, I was typically mental, I became temperamental, And my temper became mental, Only calmed by instrumentals, My Instagram went mental, Posting pics in the shower, Retweeting anything and everything for hours, I'd forgotten I was a coward, But it took all of this for me to blossom and flower, I thought I had powers, And thought I could wow crowds, But today will I wow crowds, With a poem about dark clouds, And drugs, And violence, And everything violet, That colour kept me silent, Brought me peace, I couldn't fight it, Now I write and like it, And type things, About how life felt when I was psychotic, That's my new topic, Why? Because I can't top it, In the summer of 2016, I couldn't stop it, My brain was moving faster than a 214-ton rocket, But I still don't want to crop it out, Because why would I want that to happen, It gives me something to talk about, Helps me with my rapping, Helps me find my passion, That I know I'm not lacking, Because I wasn't acting, I was simply extracting, Everything negative that I was attacking, So my mind began battling, It was baffling, But to tell you the end of this little story, It's not like the rest it's actually quite boring, But it's beautiful like the scars that used to be sore, And the things that distressed me that now give me glory, Like my book, Just look, And you'll see someone who took, All the pain that they felt, Rearranged it and shook, It around until it looked, Something like the person you see today, Who can finally say, I'm more than just... Okay. Life Is Worth Living x

**Parker's Wine Buyer's Guide, 7th Edition** Robert M. Parker 2008-10-07 Featuring a fresh layout, revised maps, and more detail than ever before, the seventh edition of Parker's Wine Buyer's Guide offers collectors and amateurs alike the ultimate resource to the world's best wines. *The Art of Gathering* Priya Parker 2018-05-15 We spend our lives gathering - first in classrooms and then in meetings, weddings, conferences and away days. Yet so many of us spend this time in overwhelming moments that fail to engage us, inspire us, or connect us. We've all sat in meetings where people talk past each other or go through the motions and others which galvanize a team and remind everyone why they first took the job. We've been to weddings that were deeply moving and others that were run-of-the-mill and simply faded away. Why do some

moments take off and others fizzle? What's the difference between the gatherings that inspire you and the ones that don't? In *The Art of Gathering*, Priya Parker gets to the heart of these questions and reveals how to design a transformative gathering. An expert on organizing successful gatherings whether in conference centres or her living room, Parker shows us how to create moving, magical, mind-changing experiences - even in spaces where we've come to expect little.

**Empire of the Summer Moon** S.C. Gwynne 2011-07-07 In the tradition of *Bury My Heart at Wounded Knee*, a stunningly vivid historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West, centering on Quanah, the greatest Comanche chief of them all. *Empire of the Summer Moon* spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second is the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined just how and when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. Against this backdrop Gwynne presents the compelling drama of Cynthia Ann Parker, a nine-year-old girl who was kidnapped by Comanches in 1836. She grew to love her captors and became infamous as the "White Squaw" who refused to return until her tragic capture by Texas Rangers in 1860. More famous still was her son Quanah, a warrior who was never defeated and whose guerrilla wars in the Texas Panhandle made him a legend. S. C. Gwynne's account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told.
