Big Bright House Marina Vollmer 2021-04-04 This is a passionate story based on true events about life in Cuba under the Republic and afterwards under communism. It is about an upper middle class family and also narrates stories in four different cities where the author lived in exile. A nostalgic true story about a girl who lost her childhood home in Cuba to Castro's communist regime. It is also a story of love and family values.

The Fatal Tree Stephen Lawhead 2014-11-11 Kit stared at his fellow questors. “Is this it . . . the End of Everything?” It started with small, seemingly insignificant wrinkles in time: A busy bridge suddenly disappears, spilling cars into the sea. A beast from another realm roams modern streets. Napoleon’s army appears in 1930s Damascus ready for battle. But that’s only the beginning as entire realities collide and collapse. The questors are spread throughout the universe. Mina is stuck on a plain of solid ice, her only companion an angry cave lion. Tony and Gianni are monitoring the cataclysmic reversal of the cosmic expansion—but coming up short on answers. And Burleigh is languishing in a dreary underground dungeon—his only hope of survival the very man he tried to murder. Kit and Cass are back in the Stone Age trying to reach the Spirit Well. But an enormous yew tree has grown over the portal, effectively cutting off any chance of return. Unless someone can find a solution—and fast—all Creation will be destroyed in the universal apocalypse known as The End of Everything. In this final volume of the fantastic Bright Empires series, Stephen R. Lawhead brings this multi-stranded tale to a stunning and immensely satisfying conclusion. “In the sweeping style of George R. R. Martin and J. R. Tolkien, Lawhead has created a diverse universe and rich cast of characters. Multiple story lines weave to form a satisfying ending to this mythological speculative series.” —Library Journal

Dream Thief Stephen R Lawhead 2020-11-16 Dream Thief is a work of science fiction on the grand scale of Dune and Asimov’s Foundation series. Dream Thief has it all: fast-paced adventure, alien settings, wonderful character development, cliff-hanging suspense, epic plot, and compelling spiritual underpinnings.

Bone House Stephen R Lawhead 2013-03-22 Kit Livingstone has been bequeathed by his great grandfather, Cosimo, an apparently impossible task: to piece together a 17th-century map whose fragments are scattered not just throughout this universe but other universes too. One piece of the skin map has been found. Now the race to unravel the future of the future turns deadly. Aided by his girlfriend, Mina, from her outpost in seventeenth-century Prague, Kit begins to make progress but realises that opponents, in the shape of the Burley Men, are equally determined to capture the map, and they have a crucial advantage: the ability to manipulate the will of historical figures for their own ends. Across time and space, through manifest and hidden worlds, those who know how to use ley lines to travel through astral planes have left their own world behind in this, the second quest: to unlock the mystery of The Bone House.

The Twisted Ones T. Kingfisher 2020-03-17 Award-winning author Ursula Vernon, writing as T. Kingfisher, presents a terrifying tale of hidden worlds and monstrous creations... When Mouse’s dad asks her to clean out her dead grandmother’s house, she says yes. After all, how bad could it be? Answer: pretty bad. Grandma was a hoarder, and her house is stuffed with useless rubbish. That would be horrific enough, but there’s more—Mouse stumbles across her step-grandfather’s journal, which at first seems to be filled with nonsensical rants...until Mouse encounters some of the terrifying things he described for herself. Alone in the woods with her dog, Mouse finds herself face to face with a series of impossible terrors—because sometimes the things that go bump in the night are real, and they’re looking for you. And if she doesn’t face them head on, she might not survive to tell the tale.

Meanwhile the expansion of the universe is slowing and soon will begin to reverse, heralding the systematic annihilation of all that exists. . .

The Well of Loneliness Radclyffe Hall 2021-05-29 The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall’s own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon’s attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

To the Lighthouse Virginia Woolf 2021-06-24 Described by Virginia Woolf herself as ‘easily the best of my books’, and by her husband Leonard as a ‘masterpiece’, *To the Lighthouse*, first published in 1927, is one of the milestones of Modernism. Set on the Isle of Skye, over a decade spanning the First World War, the narrative centres on the Ramsay family, and is framed by Mrs Ramsay’s promise to take a trip to the lighthouse the next day – a promise which isn’t to be fulfilled for a decade. Flowing from character to character and from year to year, the novel paints a moving portrait of love, loss and perception. Bearing all the hallmarks of Woolf’s prose, with her delicate handling of the complexities of human relationships, *To the Lighthouse* has earned its reputation – frequently appearing in lists of the best novels of the twentieth century, it has lost not an iota of brilliance.

Dawn of Empire Sam Barone 2009-03-17 Five millennia ago, on the eastern bank of the river Tigris, the course of human history changed forever. . . The people of Orak cherish their peaceful village and the life they have made. Though not proficient with the bow or sword, they possess a weapon far stronger: the ability to coax food from the ground. This is why the barbarian leader Thutmose-sin hates and fears them. As his marauding clan of bloodthirsty warriors readies itself for the plunder and the kill, the fate of the village rests with the outcast barbarian Eskkar and the woman he loves, the wise and beautiful slave girl Trella—and on a bold, remarkable, never-before-tested plan of defense. For those who have known peace must turn their hands to war, to save from the savage invaders not only their families but their way of life.

The Bright Empires Collection Stephen Lawhead 2015-03-10 Stephen R. Lawhead’s acclaimed Bright Empires series—now available in one volume! The Skin Map It is the ultimate quest for the ultimate treasure. Chasing a map tattooed on human skin. Across an omniverse of intersecting realities. To unravel the future of the future. The Bone House Kit Livingstone met his great-grandfather Cosimo in a rainy alley in London where he discovered the truth about alternate realities. Now he’s on the run—and on a quest—trying to understand the impossible mission he inherited from Cosimo: to restore a map that charts the hidden dimensions of the multiverse. Survival depends on staying one step ahead of the savage Burley Men. The Spirit Well The Search for the Map—and the secret behind its cryptic code—intensifies in a quest across time, space, and multiple realities. The Shadow Lamp The quest for answers—and ultimate survival—hinges on finding the cosmic link between the Skin Map, the Shadow Lamp, and the Spirit Well. The Fatal Tree It started with small, seemingly insignificant wrinkles in time: A busy bridge suddenly disappears, spilling cars into the sea. A beast from another realm roams modern streets. Napoleon’s army appears in 1930s Damascus ready for battle. But that’s only the beginning as entire realities collide and collapse. *Skin Map* Stephen R Lawhead 2013-03-22 Set in 17th century and 21st century London, the Enlightenment-era court of the Hapsburgs, China during the Qing Dynasty and ancient Egypt, Bright Empires is a five-volume fantasy. In *The Skin Map*, Kit Livingstone and his great-grandfather, Cosimo, are brought together to find a map originally tattooed on the skin of its author, a seventeenth-century explorer who had discovered the secret of access to other worlds and parallel universes. Malign forces are also after the map and, to the surprise of all, the map proves to be not the end of the quest but its beginning. A far greater prize remains, and a much more dangerous search will need to be undertaken.

On Writing Stephen King 2012 In 1999, Stephen King began to write about his craft -- and his life. By midyear, a widely reported accident jeopardized the survival of both. And in his months of recovery, the link between writing and living became more crucial than ever. Rarely has a book on writing been so clear, so useful, and so revealing. On Writing begins with a mesmerizing account of King’s childhood and his uncannily early focus on writing to tell a story. A series of vivid memories from adolescence, college, and the struggling years that led up to his first novel, *Carrie*, will afford readers a fresh and often very funny perspective on the formation of a writer. King next turns to the basic tools of his trade -- how to sharpen and multiply them through use, and how the writer must always have them close at hand. He takes the reader through crucial aspects of the writer’s art and life, offering practical and inspiring advice on everything from plot and character development to work habits and rejection. Serialized in the *New Yorker* to vivid acclaim, *On Writing* culminates with a profoundly moving account of how King’s overwhelming need to write spurred him toward recovery, and brought him back to his life. Brilliantly structured, friendly and inspiring, *On Writing* will empower--and entertain--everyone who reads it.

Avalon Stephen Lawhead 2013-03-01 It is the late 21st century, and with the death of the unloved King Edward the Ninth the British monarchy is ended. The political establishment is republican. The tradition of many centuries is over. But in Scotland, one young man, James Stuart, discovers the remarkable truth about his own origins. It is a truth which has implications far beyond the ambitions of those in Westminster who would reshape the country, and one which will revive an ancient struggle for the destiny of Britain. Stephen Lawhead is the acclaimed author of more than twenty novels including the Pendragon series about King Arthur. A wonderful successor volume, *Avalon* is both daring in its ambition and utterly assured in its storytelling.

The Bone People Keri Hulme 2005-04-01 Integrating both Maori myth and New Zealand reality, The Bone People became the most successful novel in New Zealand publishing history when it appeared in 1984. Set on the South Island beaches of New Zealand, a harsh environment, the novel chronicles the complicated relationships between three emotional outcasts of mixed European and Maori heritage. Kerewin Holmes is a painter and a loner, convinced that "to care for anything is to invite disaster." Her isolation is disrupted one day when a six-year-old mute boy, Simon, breaks into her house. The sole survivor of a mysterious shipwreck, Simon has been adopted by a widower Maori factory worker, Joe Gillayley, who is both tender and horribly brutal toward the boy. Through shifting points of view, the novel reveals each character’s thoughts and feelings as they struggle with the desire to connect and the fear of attachment. Compared to the works of James Joyce in its use of indigenous language and portrayal of consciousness, The Bone People captures the soul of New Zealand. After twenty years, it continues to astonish and enrich readers around the world.

The Endless Knot Steve Lawhead 1998 Picture a world intricately entwined with our own yet separate, pulsing with the raw energy and vivid color of Celtic myth come to life. Picture Albion. And enter Lewis Gillies, an Oxford student whose search for a missing friend leads him through a door to another reality -- and unimagined discoveries about life, good and evil, and his own identity and destiny. Having ascended the throne as Albion’s High King, Lew takes the beautiful Goewyn for his queen. But in the midst of their joyous union, treachery is in the making -- forcing Lew to choose between the honor of his kingship and the desire of his heart. His decision drives him across the sea, far beyond Albion to the dark terrors and haunted wastes of the Foul Land. There, as the fabric of two worlds unravels, Lew hurtles headlong toward a final conflict with the Brazen Man. In the balance hangs not only the fate of Goewyn, but the very life-song of Albion, contained within the mystical Singing Stones.

Pendragon Stephen R. Lawhead 2009-10-13 At the dawn of his reign, a young king confronts his destiny—and must prove his greatness . . . or lose a realm Arthur is King—but treachery runs rampant throughout the beleaguered Isle of the Mighty. Darkest evil descends upon Britain’s shores in many guises. Fragile alliances fray and tear, threatening all the noble liege has won with his wisdom and his blood. His most trusted counselor—the warrior, bard and kingmaker whom legend will name Merlin—is himself to be tested on a mystical journey back through his own extraordinary past. So in a black time of plague and pestilence, it is Arthur who must stand alone against a great and terrible adversary. For only this way can he truly win immortality—and the name to treasure above all others: PENDRAGON “Though Lawhead brilliantly creates an authentic and vivid Arthurian Britain, he never forsakes the sense of wonder that has graced the legend throughout the ages.”—Publishers Weekly

Talesin Stephen R. Lawhead 2009-10-13 A magnificent epic of cataclysmic upheaval and heroic love in a breathless age of mythic wonders It was a time of legend, when the last shadows of the mighty Roman conqueror faded from the captured Isle of Britain. While, across a vast sea, bloody war shattered a peace that had flourished for two thousand years in the doomed kingdom of Atlantis. From the award-winning author of THE DRAGON KING TRILOGY comes a majestic tale of breathtaking scope and haunting beauty. It is the remarkable adventure of Charis—the courageous princess from Atlantis who escapes the terrible devastation of her land—and of the fabled seer and druid prince Talesin, singer at the dawn of the age. A story of an incomparable love that joins two astonishing worlds amid the fires of chaos, and spawns the miracles of Merlin . . . and Arthur the king! TALIESIN “Reminiscent of C. S. Lewis . . . Highly recommended.” —Library Journal
