Winston Churchill, Myth and Reality
Richard M. Langworth 2017-11-01 "This book will be consulted by every person eager to find the truth about one 'Great Man' of history"--The International Churchill Society "Absolutely remarkable...both the work of a lifetime and a labor of love...unreservedly recommended...should also be required reading in all Schools of Journalism"--Cercles "Langworth has taken Churchill out of the clutches of both the worshipful and the iconoclasts, thus giving him over to the appreciative...those who can look at him, warts and all."--Warren Kimball, *Churchill & Roosevelt: The Complete Correspondence* "No one knows more about Winston Churchill than Langworth, his vicar on earth. This superb book lays bare the lies, but also reveals new truths about The Greatest Englishman."--Andrew Roberts, *New-York Historical Society* "Langworth, a lifelong student of Churchill, strips away the falsehoods that belittle the personality, the career and the greatness of this giant historical figure."--Paul Addison, *University of Edinburgh*.

Winston Churchill, indispensable when liberty was in peril, died in 1965. Yet he is still accused of numerous sins, from alcoholism and racism to misogyny and warmongering. On the Internet, he simmers in a stew of imagined misdeeds--using poison gas, firebombing Dresden, causing the Bengal famine, and so on. Drawing on the author's fifty years of research and writing on Churchill, this book uncovers scores of myths surrounding him--the popular and the obscure--to reveal what he really said and did about many issues. Churchill had two personas--one that thought deeply about the nature of humanity, and one that helped solve seemingly intractable problems. In his many decades in public life, he made mistakes, but his faults were well eclipsed by his virtues.

Awaken the Giant Within Anthony Robbins 2004-02-02 The author offers advice on such matters as mastering emotions, overcoming debilitating habits such as over-eating, drinking and drug abuse, unleashing the hidden power of body and mind, improving personal and professional relationships, and taking control of personal finances.

The Last Lion: Winston Spencer

Churchill William Manchester

2015-03-26 The Last Lion: Winston Spencer Churchill: Visions of Glory, 1874-1932 is the first volume in William Manchester's epic three volume The Last Lion - the best-selling and definitive biography of one of Britain's pre-eminent prime ministers. When Winston Churchill was born in Blenheim Palace, Imperial Britain stood at the splendid pinnacle of her power. Yet within a few years, the Empire would hover on the brink of a catastrophic new era. This first volume of the best-selling biography of the adventurer, aristocrat, soldier, and statesman covers the first 58 years of the remarkable man whose courageous vision guided the destiny of those darkly troubled times and who looms today as one of the greatest figures of the twentieth century.

Turbulence Annette Herfkens

2016-10-04 A riveting, inspirational true story of an incredibly resilient woman who broke professional barriers as a Dutch banker, was the sole survivor of Vietnam Airlines Flight 474, found love after the loss of her fiancée, and continues to raise her autistic son, never wavering in her optimism. On the morning of November 14, 1992, Annette Herfkens, a top Dutch banker (and one of the few female international bond traders on Wall Street), packed her luggage for a romantic getaway with her longtime fiancée, Willem. At 6:25 that morning, Annette and Willem boarded the plane out of Ho Chi Minh City, with twenty-three other passengers and six crew members, excited to finally have a vacation together. Six minutes before landing, flying at speed of 300 miles per hour, the plane lost altitude and crashed along a mountain ridge in the jungle of Vietnam. At first Annette heard the voices of other passengers, but soon they went quiet. Annette was

the only survivor. For eight days she lay injured and alone, with only rainwater to sustain her. Presumed dead, her obituary made it into local newspapers. What followed is an incredible story of survival, mystery, and the endurance of spirit. Even after surviving and learning to cope with her harrowing experience, Annette's biggest life challenge began years later, when her son Maxi was diagnosed with autism. As she weathered the joys and challenges of raising Maxi, Annette often called upon the profound insights she learned during those eight days, viewing every turbulent event in her life with the unflinching optimism of a true survivor. This is an inspiring account of one woman's journey and perseverance, as a plane-crash survivor and even more so as a devoted mother to her autistic son, but also of discovering strength and beauty in unexpected places.

Mafia Spies Thomas Maier 2019-04-02

The true crime exposé of the CIA, the mob, and Hollywood entertainers—all involved in a plot to assassinate Castro—based on the newly released JFK Files. Mafia Spies is the definitive account of America's most remarkable and audacious espionage plot. Thomas Maier is among the first to take full advantage of the National Archives' 2017–18 release of the long-suppressed JFK files, many of which deal with the CIA's top secret anti-Castro operation in Florida and Cuba. With several new investigative findings, Mafia Spies reveals the shocking true story of America's first foray into the assassination business. In the early 1960s, two top gangsters, Johnny Roselli and Sam Giancana, were hired by the CIA to kill Cuba's Communist leader, Fidel Castro, only to wind up murdered themselves amidst Congressional hearings and a national debate about the JFK assassination.

Mafia Spies revolves around the outlaw friendship of these two mob buddies and their fascinating world of CIA spies, Cuban exile commandos, Hollywood starlets, Frank Sinatra and his famous Rat Pack, J. Edgar Hoover's FBI snooping, and the Kennedy administration's "Get Castro" obsession in Washington.

All That Glitters Thomas Maier 2019-09-03 From the Bestselling Author and Television Producer of Masters of Sex, a True Story of the Intrigue and Infighting of Condé Nast, Anna Wintour, S. I. Newhouse Jr., and Tina Brown, and Optioned by Sony Television Productions Inside the Condé Nast magazine world run by billionaire S. I. Newhouse Jr., Anna Wintour and Tina Brown were bold and talented British women who fought their way to the top of this male-dominated American industry driven by greed and betrayal. Wintour became an icon of fashion and New York's high society, while Brown helped define the intersection of literary culture and Hollywood celebrity. They jockeyed for power in the hypercompetitive "off with their heads" atmosphere set up by Newhouse and his longtime creative guru Alex Liberman, two men who for years controlled the glossy Condé Nast magazines that dictated how women should look, dress, and feel. In turning this world upside down, Wintour and Brown challenged the old rules and made Newhouse's company internationally famous. Ultimately, one of them won in their fascinating struggle for fame and fortune during the height of New York's gilded age of print—a time before the internet, before 9/11, when the Reagans ruled the White House and Donald Trump was a mere local developer featured on the cover of Newhouse's publications. This book traces the careers of Wintour and Brown and shows how they and the Condé Nast media empire were

major media enablers in the rise of Donald Trump and Hollywood mogul Harvey Weinstein. At its heart, All That Glitters is a parable about the changes in America's media, where corruption and easy compromises are sprinkled with glitter, power, and glory. Originally titled Newhouse, this revised and updated edition, with a new introduction and afterword, won the 1994 Frank Luther Mott Award for best researched media book of the year.

Jack Kennedy Barbara Leaming 2006 An account of the friendships and forces that shaped JFK's presidency documents how the relationships and rivalries forged during his college years played pivotal roles in American history, in a volume that offers insight into the sources of Kennedy's intellectual beliefs as well as his presidential goals.

A People's History of the Civil War David Williams 2011-05-10 "Does for the Civil War period what Howard Zinn's A People's History of the United States did for the study of American history in general." —Library Journal Historian David Williams has written the first account of the American Civil War as viewed through the eyes of ordinary people—foot soldiers, slaves, women, prisoners of war, draft resisters, Native Americans, and others. Richly illustrated with little-known anecdotes and firsthand testimony, this path-breaking narrative moves beyond presidents and generals to tell a new and powerful story about America's most destructive conflict. A People's History of the Civil War is a "readable social history" that "sheds fascinating light" on this crucial period. In so doing, it recovers the long-overlooked perspectives and forgotten voices of one of the defining chapters of American history (Publishers Weekly). "Meticulously researched and

persuasively argued." –The Atlanta Journal-Constitution

The Kennedys: America's Emerald Kings

Thomas Maier 2004-10-06 A

meticulously researched chronicle of five generations of the Kennedy dynasty explains how their Irish-Catholic roots informed their lives and political beliefs and reveals how the immigrant experience shaped both their remarkable success and many tragedies. Reprint. 40,000 first printing.

Beneath the Lion's Gaze: A Novel

Maaza Mengiste 2011-01-03 "An

important novel, rich in compassion for its anguished characters." –The New York Times Book Review This memorable, heartbreaking story opens in Addis Ababa, Ethiopia, 1974, on the eve of a revolution. Yonas kneels in his mother's prayer room, pleading to his god for an end to the violence that has wracked his family and country. His father, Hailu, a prominent doctor, has been ordered to report to jail after helping a victim of state-sanctioned torture to die. And Dawit, Hailu's youngest son, has joined an underground resistance movement—a choice that will lead to more upheaval and bloodshed across a ravaged Ethiopia. *Beneath the Lion's Gaze* tells a gripping story of family, of the bonds of love and friendship set in a time and place that has rarely been explored in fiction. It is a story about the lengths human beings will go in pursuit of freedom and the human price of a national revolution. Emotionally gripping, poetic, and indelibly tragic, *Beneath The Lion's Gaze* is a transcendent and powerful debut.

The Patriarch David Nasaw 2012-11-13
2013 Pulitzer Prize Finalist New York Times Ten Best Books of 2012

"Riveting...The Patriarch is a book hard to put down." – Christopher Buckley, The New York Times Book

Review In this magisterial new work *The Patriarch*, the celebrated historian David Nasaw tells the full story of Joseph P. Kennedy, the founder of the twentieth century's most famous political dynasty. Nasaw—the only biographer granted unrestricted access to the Joseph P. Kennedy papers in the John F. Kennedy Presidential Library—tracks Kennedy's astonishing passage from East Boston outsider to supreme Washington insider. Kennedy's seemingly limitless ambition drove his career to the pinnacles of success as a banker, World War I shipyard manager, Hollywood studio head, broker, Wall Street operator, New Deal presidential adviser, and founding chairman of the Securities and Exchange Commission. His astounding fall from grace into ignominy did not come until the years leading up to and following America's entry into the Second World War, when the antiwar position he took as the first Irish American ambassador to London made him the subject of White House ire and popular distaste. *The Patriarch* is a story not only of one of the twentieth century's wealthiest and most powerful Americans, but also of the family he raised and the children who completed the journey he had begun. Of the many roles Kennedy held, that of father was most dear to him. The tragedies that befell his family marked his final years with unspeakable suffering. *The Patriarch* looks beyond the popularly held portrait of Kennedy to answer the many questions about his life, times, and legacy that have continued to haunt the historical record. Was Joseph P. Kennedy an appeaser and isolationist, an anti-Semite and a Nazi sympathizer, a stock swindler, a bootlegger, and a colleague of mobsters? What was the nature of his relationship with his wife, Rose? Why did he have his daughter Rosemary

lobotomized? Why did he oppose the Truman Doctrine, the Marshall Plan, the Korean War, and American assistance to the French in Vietnam? What was his relationship to J. Edgar Hoover and the FBI? Did he push his second son into politics and then buy his elections for him? In this pioneering biography, Nasaw draws on never-before-published materials from archives on three continents and interviews with Kennedy family members and friends to tell the life story of a man who participated in the major events of his times: the booms and busts, the Depression and the New Deal, two world wars and a cold war, and the birth of the New Frontier. In studying Kennedy's life, we relive with him the history of the American Century.

When Lions Roar Thomas Maier
2014-10-28 The first comprehensive history of the deeply entwined personal and public lives of the Churchills and the Kennedys and what their "special relationship" meant for Great Britain and the United States *When Lions Roar* begins in the mid-1930s at Chartwell, Winston Churchill's country estate, with new revelations surrounding a secret business deal orchestrated by Joseph P. Kennedy, the soon-to-be American ambassador to Great Britain and the father of future American president John F. Kennedy. From London to America, these two powerful families shared an ever-widening circle of friends, lovers, and political associates – soon shattered by World War II, spying, sexual infidelity, and the tragic deaths of JFK's sister Kathleen and his older brother Joe Jr. By the 1960s and JFK's presidency, the Churchills and the Kennedys had overcome their bitter differences and helped to define the "greatness" in each other. Acclaimed biographer Thomas Maier tells this dynastic saga through fathers and

their sons – and the remarkable women in their lives – providing keen insight into the Churchill and Kennedy families and the profound forces of duty, loyalty, courage and ambition that shaped them. He explores the seismic impact of Winston Churchill on JFK and American policy, wrestling anew with the legacy of two titans of the twentieth century. Maier also delves deeply into the conflicted bond between Winston and his son, Randolph, and the contrasting example of patriarch Joe Kennedy, a failed politician who successfully channeled his personal ambitions to his children. By approaching these iconic figures from a new perspective, Maier not only illuminates the intricacies of this all-important cross-Atlantic allegiance but also enriches our understanding of the tumultuous time in which they lived and the world events they so greatly influenced. With deeply human portraits of these flawed but larger-than-life figures, *When Lions Roar* explores the "special relationship" between the Churchills and Kennedys, and between Great Britain and the United States, highlighting all of its emotional complexity and historic significance.

Open Veins of Latin America Eduardo Galeano 1997 [In this book, the author's] analysis of the effects and causes of capitalist underdevelopment in Latin America present [an] account of ... Latin American history. [The author] shows how foreign companies reaped huge profits through their operations in Latin America. He explains the politics of the Latin American bourgeoisies and their subservience to foreign powers, and how they interacted to create increasingly unequal capitalist societies in Latin America.-Back cover.

MacArthur's Spies Peter Eisner
2017-05-02 "MacArthur's Spies reads

like Casablanca set in the Pacific, filled with brave and daring characters caught up in the intrigue of war—and the best part is that it's all true!" —Tom Maier, author of *Masters of Sex* A thrilling story of espionage, daring and deception set in the exotic landscape of occupied Manila during World War II. On January 2, 1942, Japanese troops marched into Manila unopposed by U.S. forces. Manila was a strategic port, a romantic American outpost and a jewel of a city. Tokyo saw its conquest of the Philippines as the key in its plan to control all of Asia, including Australia. Thousands of soldiers surrendered and were sent on the notorious eighty-mile Bataan Death March. But thousands of other Filipinos and Americans refused to surrender and hid in the Luzon hills above Bataan and Manila. MacArthur's *Spies* is the story of three of them, and how they successfully foiled the Japanese for more than two years, sabotaging Japanese efforts and preparing the way for MacArthur's return. From a jungle hideout, Colonel John Boone, an enlisted American soldier, led an insurgent force of Filipino fighters who infiltrated Manila as workers and servants to stage demolitions and attacks. "Chick" Parsons, an American businessman, polo player, and expatriate in Manila, was also a U.S. Navy intelligence officer. He escaped in the guise of a Panamanian diplomat, and returned as MacArthur's spymaster, coordinating the guerrilla efforts with the planned Allied invasion. And, finally, there was Claire Phillips, an itinerant American torch singer with many names and almost as many husbands. Her nightclub in Manila served as a cover for supplying food to Americans in the hills and to thousands of prisoners of war. She and the men and women who worked with her gathered

information from the collaborating Filipino businessmen; the homesick, English-speaking Japanese officers; and the spies who mingled in the crowd. Readers of Alan Furst and Ben Macintyre—and anyone who loves Casablanca—will relish this true tale of heroism when it counted the most. Infinite Jest David Foster Wallace 2011-04-14 'A writer of virtuostic talents who can seemingly do anything' New York Times 'Wallace is a superb comedian of culture . . . his exuberance and intellectual impishness are a delight' James Wood, Guardian 'He induces the kind of laughter which, when read in bed with a sleeping partner, wakes said sleeping partner up . . . He's damn good' Nicholas Lezard, Guardian 'One of the best books about addiction and recovery to appear in recent memory' Sunday Times Somewhere in the not-so-distant future the residents of Ennet House, a Boston halfway house for recovering addicts, and students at the nearby Enfield Tennis Academy are ensnared in the search for the master copy of *Infinite Jest*, a movie said to be so dangerously entertaining its viewers become entranced and expire in a state of catatonic bliss . . . **Churchill by Himself** Winston S. Churchill 2013-09-19 Quotations by the great statesman who helped lead Britain through two world wars: "Magisterial . . . Should be in the library of every Churchill aficionado" (American Spectator). We shall fight on the beaches, we shall fight on the landing grounds, we shall fight in the fields and in the streets, we shall fight in the hills; we shall never surrender . . . Millions have been moved by these words—and by the hundreds of speeches given by Winston S. Churchill to rally the British public, spur its government to armament against Hitler, and defend the causes for which he believed. Churchill by

Himself is the first collection of quotations from a leader who had as much talent for wit as he had for inspiration and exhortation. Edited by renowned Churchill scholar Richard Langworth, this volume is the definitive collection of important quotes from one of the twentieth century's most persuasive and brilliant orators, whose writings earned him a Nobel Prize in Literature in 1953.

Long Walk To Freedom Nelson Mandela
2013-04-25 These memoirs from one of the great leaders of our time are 'essential reading for anyone who wants to understand history - and then go out and change it' Barack Obama The riveting memoirs of the outstanding moral and political leader of our time, Long Walk to Freedom brilliantly re-creates the drama of the experiences that helped shape Nelson Mandela's destiny. Emotive, compelling and uplifting, Long Walk to Freedom is the exhilarating story of an epic life; a story of hardship, resilience and ultimate triumph told with the clarity and eloquence of a born leader. 'Enthralling . . . Mandela emulates the few great political leaders such as Lincoln and Gandhi, who go beyond mere consensus and move out ahead of their followers to break new ground' Sunday Times 'The authentic voice of Mandela shines through this book . . . humane, dignified and magnificently unembittered' The Times 'Burns with the luminosity of faith in the invincible nature of human hope and dignity . . . Unforgettable' Andre Brink

The Irregulars Jennet Conant
2009-09-08 A best-selling account describes the intelligence operations of allied forces during World War II as experienced by wounded RAF pilot Roald Dahl, a patriot who infiltrated the upper reaches of Georgetown

society and worked with such figures as Churchill, Roosevelt, and spy chief William Stephenson to influence U.S. policy in favor of England. Reprint.

Churchill Style Barry Singer
2012-05-01 A look at the towering twentieth-century leader and his lifestyle that goes beyond the political and into the personal. Countless books have examined the public accomplishments of the man who led Britain in a desperate fight against the Nazis with a ferocity and focus that earned him the nickname "the British Bulldog." Churchill Style takes a different kind of look at this historic icon—delving into the way he lived and the things he loved, from books to automobiles, as well as how he dressed, dined, and drank in his daily life. With numerous photographs, this unique volume explores Churchill's interests, hobbies, and vices—from his maddening oversight of the renovation of his country house, Chartwell, and the unusual styles of clothing he preferred, to the seemingly endless flow of cognac and champagne he demanded and his ability to enjoy any cigar, from the cheapest stogies to the most pristine Cubans. Churchill always knew how to live well, truly combining substance with style, and now you can get to know the man behind the legend—from the top of his Homburg hat to the bottom of his velvet slippers. "All readers will appreciate Singer's highly intelligent observations about how Churchill's style contributed to, and was ultimately an integral part of his brilliant career." —Gentleman's Gazette

Young Titan Michael Sheldon
2014-03-25 An account of the World War II Prime Minister's early career includes coverage of his contributions to building a modern navy, his experimentations with

radical social reforms and his lesser-known romantic pursuits. By the author of the Pulitzer Prize finalist, *Orwell*.

The Children and the Nations Maggie Black 1986 FROST (copy 1) From the John Holmes Library collection.

No More Champagne David Lough 2015-09-10 The untold story of Winston Churchill's precarious finances – and the most original and surprising book about Churchill to emerge for many years. The popular image of Churchill – grandson of a duke, drinking champagne and smoking a cigar – conjures up a man of wealth and substance. The reality is that Britain's most celebrated 20th-century statesman lived for most of his life on a financial cliff-edge. Only fragments of information about his finances, or their impact on his public life, have previously emerged. With the help of unprecedented access to Churchill's private records, David Lough creates the first fully researched narrative of Churchill's private finances and business affairs. As he reveals the scale of Churchill's financial risk-taking, combined with an ability to talk or write himself out of the tightest of corners, the links between the private man and public figure become clear.

Silent Coup Len Colodny 2015-09-22 This is the true story of betrayal at the nation's highest level. Unfolding with the suspenseful pace of a Le Carre spy thriller, it reveals the personal motives and secret political goals that combined to cause the Watergate break-in and destroy Richard Nixon. Investigator Len Colodny and journalist Robert Gettlin relentlessly pursued the people who brought down the president. Their revelations shocked the world and forever changed our understanding of politics, of journalism, and of Washington behind closed doors.

Dismantling decades of lies, *Silent Coup* tells the truth.

The Revolution of Robert Kennedy John R. Bohrer 2017-06-06 A groundbreaking account of how Robert F. Kennedy transformed horror into hope between 1963 and 1966, with style and substance that has shaped American politics ever since. On November 22nd, 1963, Bobby Kennedy received a phone call that altered his life forever. The president, his brother, had been shot. JFK would not survive. In *The Revolution of Robert Kennedy*, journalist John R. Bohrer focuses in intimate and revealing detail on Bobby Kennedy's life during the three years following JFK's assassination. Torn between mourning the past and plotting his future, Bobby was placed in a sudden competition with his political enemy, Lyndon Johnson, for control of the Democratic Party. No longer the president's closest advisor, Bobby struggled to find his place within the Johnson administration, eventually deciding to leave his Cabinet post to run for the U.S. Senate, and establish an independent identity. Those overlooked years of change, from hardline Attorney General to champion of the common man, helped him develop the themes of his eventual presidential campaign. *The Revolution of Robert Kennedy* follows him on the journey from memorializing his brother's legacy to defining his own. John R. Bohrer's rich, insightful portrait of Robert Kennedy is biography at its best--inviting readers into the mind and heart of one of America's great leaders.

Newhouse Thomas Maier 1997 Reveals the story behind intensely secretive Si Newhouse's powerful thirteen-billion-dollar media empire
True Compass Senator Edward M. Kennedy 2011-02-03 A landmark autobiography and the definite account from a member of America's

most heralded family. As a young man, Edward M Kennedy played a key role in the presidential campaign of his brother, John F. Kennedy. In 1962, he was elected to the U.S. Senate, where he learned how to become an effective legislator. His life was marked by tragedy and perseverance; he writes movingly of his brothers and his years of struggle in the wake of their deaths; his marriage to Victoria, the woman who changed his life and his role in the major events of our time from civil rights, Vietnam and Watergate to the quest for peace in Northern Ireland.

The Last Million David Nasaw
2020-09-15 From bestselling author David Nasaw, a sweeping new history of the one million refugees left behind in Germany after WWII In May 1945, German forces surrendered to the Allied powers, putting an end to World War II in Europe. But the aftershocks of global military conflict did not cease with the German capitulation. Millions of lost and homeless concentration camp survivors, POWs, slave laborers, political prisoners, and Nazi collaborators in flight from the Red Army overwhelmed Germany, a nation in ruins. British and American soldiers gathered the malnourished and desperate refugees and attempted to repatriate them. But after exhaustive efforts, there remained more than a million displaced persons left behind in Germany: Jews, Poles, Estonians, Latvians, Lithuanians, Ukrainians, and other Eastern Europeans who refused to go home or had no homes to return to. The Last Million would spend the next three to five years in displaced persons camps, temporary homelands in exile divided by nationality, with their own police forces, churches and synagogues, schools, newspapers, theaters, and infirmaries. The international community could not agree on the fate

of the Last Million, and after a year of debate and inaction, the International Refugee Organization was created to resettle them in lands suffering from postwar labor shortages. But no nations were willing to accept the 200,000 to 250,000 Jewish men, women, and children who remained trapped in Germany. In 1948, the United States, among the last countries to accept refugees for resettlement, finally passed a displaced persons bill. With Cold War fears supplanting memories of World War II atrocities, the bill granted the vast majority of visas to those who were reliably anti-Communist, including thousands of former Nazi collaborators and war criminals, while severely limiting the entry of Jews, who were suspected of being Communist sympathizers or agents because they had been recent residents of Soviet-dominated Poland. Only after the controversial partition of Palestine and Israel's declaration of independence were the remaining Jewish survivors able to leave their displaced persons camps in Germany. A masterwork from acclaimed historian David Nasaw, *The Last Million* tells the gripping yet until now largely hidden story of postwar displacement and statelessness. By 1952, the Last Million were scattered around the world. As they crossed from their broken past into an unknowable future, they carried with them their wounds, their fears, their hope, and their secrets. Here for the first time, Nasaw illuminates their incredible history and, with profound contemporary resonance, shows us that it is our history as well.

Dr. Spock Thomas Maier 2003-04-29 Dr. Benjamin Spock is known for how he revolutionized mainstream American family life with his book *Dr. Spock's Baby and Child Care*, for the controversy caused by his

psychological advice, and for his early and courageous opposition to the war in Vietnam. But, as award-winning biographer Thomas Maier uncovered through extensive interviews with Spock and his family, his personal life was filled with tragic ironies and contradictions. His family suffered through alcoholism, substance abuse, divorce, mental illness, suicide, sexual tensions, and emotional indifference. His childhood, which so infused his book and made its success possible, nevertheless seemed to prevent him from taking his own advice. Maier, for the first time, tells the complete story of Spock's life, revealing the complicated journey of the man who said, "Trust yourself. You know more than you think."

Angela's Ashes Frank McCourt 2005 A heartfelt account of poverty in Ireland and emigration to America. -- back cover.

The Bad War M. s. King 2015-02-05 245 Pages / 500 Illustrations During the 75 years that have now passed since the end of the grand history-altering event known as World War II, only a single narrative of the great conflict has been heard. It is a story which the architects of the New World Order have implanted, no, POUNDED into the minds of three subsequent generations. Every medium of mass indoctrination has been harnessed to the task of training the obedient masses as to what the proper view of this event should be. Academia, news media, public education, book publishing, TV documentaries, Hollywood films, clergymen and politicians of every stripe all sing the same song. You know the familiar lyrics: "Led by Adolf Hitler; Germany, Italy and Japan tried to enslave the planet. The "good guys" of the "world community", led by Franklin Delano Roosevelt (FDR) and Winston

Churchill, banded together and stopped them. Literally, not a day seems to pass without some sort of media reference to this incomplete and simplistic narrative; a story which oh-so-conveniently ignores the previous decades of critical history leading up to World War II, omits vital information from the actual war years, and outright fabricates lie after lie after lie. Indeed, the "official story" amounts to a manufactured mendacity of such mountainous dimensions that the human mind will have a hard time processing the actual truth of the grand event, no matter how compelling the case may be. Isn't it time you heard a different tune; at least for your consideration? Haven't you ever at least been curious as to what "the other side of the World War II story" was? If so, you ought to have a look at 'The Bad War', a heavily illustrated epic timeline that will transport you back to the mid 1800's; and then lead you on an exciting "you are there" journey right up through both World War I and World War II. Well-written, entertaining, and meticulously documented, 'The Bad War' is unique for its ability to condense so much real history into just 245 attention-riveting, illustration-rich pages. But do be forewarned. Your worldview may never be the same.

No Greater Valor Jerome Corsi 2014-11-18 Jerome Corsi's newest opus, *No Greater Valor*, examines the Siege of Bastogne—one of the most heroic victories of WWII—with a focus on the surprising faith of the Americans who fought there. In December of 1944, an outmanned, outgunned, and surrounded US force fought Hitler's overwhelming Panzer divisions to a miraculous standstill at Bastogne. The underdogs had saved the war for the Allies. It was nothing short of miraculous. Corsi's

analysis is based on a record of oral histories along with original field maps used by field commanders, battle orders, and other documentation made at the time of the military command. With a perspective gleaned from newspapers, periodicals, and newsreels of the day, Corsi paints a riveting portrait of one of the most important battles in world history.

The Mitfords Charlotte Mosley
2008-10-28 The Mitford sisters were the great wits and beauties of their time. Immoderate in their passions for ideas and people, they counted among their diverse friends Adolf Hitler and Queen Elizabeth II, Cecil Beaton and President Kennedy, Evelyn Waugh and Givenchy. The Mitfords offers an unparalleled look at these privileged siblings through their own unabashed correspondence. Spanning the twentieth century, the magically vivid letters of the legendary Mitfords constitute a superb social and historical chronicle and an intimate portrait of the stormy but enduring relationships between six beautiful, gifted, and radically different women.

Eyes on the Street Robert Kanigel
2016-09-20 The first major biography of the irrepressible woman who changed the way we view and live in cities, and whose influence can still be felt in any discussion of urban planning to this day. *Eyes on the Street* is a revelation of the phenomenal woman who raised three children, wrote seven groundbreaking books, saved neighborhoods, stopped expressways, was arrested twice, and engaged at home and on the streets in thousands of debates--all of which she won. Here is the child who challenged her third-grade teacher; the high school poet; the journalist who honed her writing skills at *Iron Age*, *Architectural Forum*, *Fortune*, and other outlets, while amassing the knowledge she would draw upon to

write her most famous book, *The Death and Life of Great American Cities*. Here, too, is the activist who helped lead an ultimately successful protest against Robert Moses's proposed expressway through her beloved Greenwich Village; and who, in order to keep her sons out of the Vietnam War, moved to Canada, where she became as well known and admired as she was in the United States.

Masters of Sex Thomas Maier
2013-07-02 Now a New Showtime Original Series Showtime's dramatic series *Masters of Sex*, starring Michael Sheen and Lizzy Caplan, is based on this real-life story of sex researchers William Masters and Virginia Johnson. Before *Sex and the City* and *Viagra*™, America relied on Masters and Johnson to teach us everything we needed to know about what goes on in the bedroom. Convincing hundreds of men and women to shed their clothes and copulate, the pair were the nation's top experts on love and intimacy. Highlighting interviews with the notoriously private Masters and the ambitious Johnson, critically acclaimed biographer Thomas Maier shows how this unusual team changed the way we all thought about, talked about, and engaged in sex while they simultaneously tried to make sense of their own relationship. Entertaining, revealing, and beautifully told, *Masters of Sex* sheds light on the eternal mysteries of desire, intimacy, and the American psyche.

The Naturalist Darrin Lunde
2016-04-12 Winner of the inaugural Theodore Roosevelt Association Book Prize A captivating account of how Theodore Roosevelt's lifelong passion for the natural world set the stage for America's wildlife conservation movement and determined his legacy as a founding father of today's museum naturalism. No U.S. president is more popularly associated with nature and

wildlife than is Theodore Roosevelt—prodigious hunter, tireless adventurer, and ardent conservationist. We think of him as a larger-than-life original, yet in *The Naturalist*, Darrin Lunde has firmly situated Roosevelt's indomitable curiosity about the natural world in the tradition of museum naturalism. As a child, Roosevelt actively modeled himself on the men (including John James Audubon and Spencer F. Baird) who pioneered this key branch of biology by developing a taxonomy of the natural world—basing their work on the experiential study of nature. The impact that these scientists and their trailblazing methods had on Roosevelt shaped not only his audacious personality but his entire career, informing his work as a statesman and ultimately affecting generations of Americans' relationship to this country's wilderness. Drawing on Roosevelt's diaries and travel journals as well as Lunde's own role as a leading figure in museum naturalism today, *The Naturalist* reads Roosevelt through the lens of his love for nature. From his teenage collections of birds and small mammals to his time at Harvard and political rise, Roosevelt's fascination with wildlife and exploration culminated in his triumphant expedition to Africa, a trip which he himself considered to be the apex of his varied life. With narrative verve, Lunde brings his singular experience to bear on our twenty-sixth president's life and constructs a perceptively researched and insightful history that tracks Roosevelt's maturation from exuberant boyhood hunter to vital champion of serious scientific inquiry.

Grace & Power Sally Bedell Smith 2011-08-15 Unlike so many other books, *Grace and Power* rejects gossip and conspiracy theory to tell the story of John and Jackie's three

years in the White House soberly, comprehensively and sensitively, from beginning to sudden end. Sally Bedell Smith's book on John and Jackie Kennedy was hailed by authoritative reviewers on both sides of the Atlantic as the most distinguished and well-written book on a perennially fascinating subject for years. In the US the hardback was high on the New York Times bestseller list for weeks. It is an immensely poignant chronicle of pivotal historical events seen from the inside out, from within the private home of the President and First Lady. Amidst the superficial opulence of their social circle, we see the Cuban Missile Crisis and the burgeoning American civil rights movement from the perspective of an invalid president often barely well enough to appear in public. Together with his young wife, abandoned by her husband's relentless womanising, nevertheless changed the politics and style of America. *Grace and Power* is the classic account of that time.

Chaplin Stephen Weissman 2011-10-11 "Chaplin is arguably the single most important artist produced by the cinema," wrote film critic Andrew Sarris. Born in London in 1889, Charlie Chaplin grew up in dire poverty. Severe alcoholism cut short his father's flourishing career, and his beloved mother first lost her voice, then her mind, to syphilis. How did this poor, lonely child, committed to the Hanwell School for the Orphaned and Destitute, become such an extraordinary comedian, known and celebrated worldwide? Dr. Stephen M. Weissman brilliantly illuminates both the screen legend himself and the turbulent era that shaped him.

Morgan Jean Strouse 2014-09-09 NATIONAL BESTSELLER The definitive full-scale portrait of J. Pierpont Morgan's tumultuous life, both in and out of the public eye History has

remembered him as a complex and contradictory figure, part robber baron and part patron saint. J. Pierpont Morgan earned his reputation as "the Napoleon of Wall Street" by reorganizing the nation's railroads and creating industrial giants such as General Electric and U.S. Steel. At a time when the country had no Federal Reserve system, he appointed himself a one-man central bank. He had two wives, three yachts, four children, six houses, mistresses, and one of the finest art collections in America. In this extraordinary book, drawing extensively on new material, award-winning biographer Jean Strouse vividly portrays the financial colossus, the avid patron of the arts, and the entirely human character behind all the myths. Praise for Morgan "Magnificent . . . the fullest and most revealing look at this remarkable, complex man that we are likely to get."—The Wall Street Journal "A masterpiece . . . No one else has told the tale of Pierpont Morgan in the detail, depth, and understanding of Jean Strouse."—Robert Heilbroner, Los Angeles Times Book Review "It is hard to imagine a biographer coming any closer to perfection."—St. Louis Post-Dispatch "Strouse is in full command of Pierpont Morgan's personal life, his financial operations, his collecting, and his benefactions, and presents a rich, vivid picture of the background against which they took place. . . . A magnificent biography."—The New York Review of Books "With uncommon intelligence, maturity, and psychological insight, Morgan: American Financier is that rare masterpiece biography that enables us to penetrate the soul of a complex human being."—The Philadelphia Inquirer

The Kennedy Curse Edward Klein
2004-04-17 Traces the misfortunes of the Kennedy family from the 1830s to

the present to consider the author's theories about the family's biological inclinations toward trouble, citing such events as Joseph Kennedy's political activities, John Jr.'s marriage to Carolyn Bessette, and Jackie's struggles with anxiety. Reprint. 150,000 first printing.
The Art Of Seduction Robert Greene
2010-09-03 Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. *The Art of Seduction* is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies*

Of War.
