He's using the human courts to sue for visitation rights, claiming that one of the children is his. And though Merry knows she was already pregnant when he took her, she can't prove it. To save herself and her babies from Taranis Merry will use the most dangerous powers in all of faerie: a god of death, a warrior known as the Darkness, The Killing Frost, and a king of nightmares. They are her lovers, and her dearest loves, and they will face down the might of the high courts of faerie - while trying to contain the war, to keep it from spreading to those innocent humans who are in very real danger of becoming collateral damage...
